Alma Mater and Recessional Guilford College Choir

Music by Austin Scott '43, Words by Russell Pope

Kindly light our founders kindled	Sacred mem'ries thru the archways	So our hearts and voices joining
Midst primeval oak and pine,	Of the swiftly passing years,	Echo Guilford's ancient fame.
Let thy radiance, truth revealing,	Still undimmed dear Alma Mater	Hallow'd be thine each endeavor.
Now upon our spirits shine.	Strengthen us, dispel our fears.	Hallow'd be fair Guilford's name.

Audience will please remain at their seats and refrain from blocking the aisles until all graduates have recessed.

Please join us for a reception in Founders Hall immediately following the ceremony,
with music by the Guilford Jazz Quartet

Bottled Water provided by PepsiCo. The Campus Bookstore is open until 2 pm.

FEATURED SPEAKER

Cheryl L. Johnson, the 36th individual to serve as Clerk of the U.S. House of Representatives, presided over the House during the historic election in 2023 that required 15 ballots before Kevin McCarthy was elected as Speaker of the House for the 118th Congress. She previously served during the 116th and 117th Congresses, having been appointed by Speaker Nancy Pelosi. During her unprecedented tenure, she oversaw the development of electronic bill introduction and transparent proxy voting, in response to the global pandemic.

Before becoming Clerk, Cheryl worked for nearly 20 years in the House followed by 13 years at the Smithsonian Institution. She was the Chief Education and Investigative Counsel for the House Committee on Education and the Workforce, where she served as a principal policy advisor and spokesperson for the Committee. Most recently, she served as Director of External Affairs for the U.S. Agency for Global Media.

Cheryl earned her bachelor's degree in Journalism and Mass Communication from the University of Iowa and her law degree from Howard University. She is also a graduate of the senior management program at Harvard University's John F. Kennedy School of Government.

STUDENT SPEAKER

Julia Spoor '25 came to Guilford from the Philadelphia area in 2021. She majored in Elementary Education with a concentration in Environmental Education and minored in both Religious and Environmental Studies. Julia enjoyed her outdoor lectures, class field trips and other experiential learning opportunities. She is most proud of the time she served as president of the Biohazard Ultimate Frisbee Club, a teacher's assistant in the Religious Studies Department and a student worker in the College's mailroom. Julia is passionate about children's rights and environmental sustainability. After graduation, she is excited to begin her teaching career at New Garden Friends School as lead teacher in the transitional kindergarten class.

ALUMNI SPEAKER

David Grimsley '00 majored in Anthropology & Sociology with a minor in Biology. He was obsessed with the Guilford College woods, venturing out to discover all the flora and fauna, which was different from his coastal South Carolina upbringing. He studied abroad in Brunnenburg (Italy) and managed the vineyard for two years after graduation. It was there that he developed a passion for agriculture, and he has been involved in sustainable agriculture and farming ever since. When Hurricane Helene hit western North Carolina last year, David assisted with rescue and recovery efforts for months. He became a conduit of communication between victims and relief workers, raising significant funds that went directly to the people impacted.

HONORARY DEGREE RECIPIENT

Guilford is presenting the degree of Doctor of Humane Letters, honoris causa, to **Mary de Rachewiltz**, an Italian-American scholar, poet, translator and long-term contributor to the College's study abroad program at the Brunnenburg Castle in northern Italy. Mary, who is 99, taught a poetry course to Guilford students from the inception of the program in 1992 through 2014. A daughter of American poet Ezra Pound and violinist Olga Rudge, she embodies Guilford values of excellence, simplicity and stewardship. Having only a few years of formal higher education, Mary became an accomplished poet and scholar.
