

STUDENT SUCCESS RESOURCES

Successful students take advantage of all the resources at their disposal. And we have a lot! Below is a list of links in Q & A form to help get you to the place you need. Whether you need academic resources, don't know who to call for what, or want to find out how to get involved in student organization, we have it for you below! Some of the links below require you to login to our intranet: enter your system login (last name, first and middle initial) and password.

Two great places to start:

Your academic advisor: This person is your First Year Seminar professor until you declare your official major and advisor. Your advisor can answer most questions or help you figure out how to get the answers.

Associate Academic Dean for Academic Support: This person is located in 217 Hege Library – on the second floor of the library, down the hall from the Learning Commons. You can get lots of help here – just like visiting your advisor!

Frequently Asked Questions:

*Do you have questions about Guilford's academic calendar, deadlines, when to add or drop classes, and when terms start and end? Check out this link to Guilford's official academic calendar!

https://www.guilford.edu/sites/default/files/2017-06/Academic_Calendar_Fall_2017.pdf

*Are you interested in one of Guilford's diverse scholars programs? Our Bonner Scholars, Principled Problem Solvers, Multicultural Leadership Scholars and Quaker Leadership Scholars are just a handful of students involved on campus!
